

## The AICP Press Member Application

*The Association of Independent Commercial Producers has created a special level of membership for industry press. Membership entitles an industry press organization to use the AICP/Member logo where appropriate, and to receive communications from the association.*

***There are no dues for Press Members of AICP, but a complimentary subscription is required for the New York and Los Angeles offices of the Association. Listing in the Association's Online Membership Directory is free. Membership is not automatic, and must be renewed annually and approved by the Association's membership review process.***

PLEASE COMPLETE AND EMAIL TO GABRIELA ROMERO at gabrielar@aicp.com.
